KNIGHTS NEWS

KNIGHT OF COLUMBUS COUNCIL 7961—ST. JOSEPH THE WORKER

KNIGHTS HELP MAKE CHRISTMAS BRIGHTER

During the latter half of December, the Knights of Council 7961 under the leadership of Jeff Tressedor and Deputy Grand Knight Donovan Hecker, collected of hundreds articles of clothing, diapers, and other items for Birthright of Ogden, an organization that supports young mothers who have chosen life. In addition to the clothing, \$250 was collected, \$100 from our council. As can be seen in the photo, the donations covered most of the floor in the modest storage room Birthright had available. Besides the money and clothing, generous parishioners also donated a large number of furniture items that Immediate Past Grand Knight John Vigil delivered to the Pregnancy Crisis Center in Salt Lake City. The donations to the two organizations will go a long way to help young mothers cope with the new additions in their life. The continued support of organizations like the Knights helps young mothers choose life over abortion. This donation drive was established by Knights State Pro-Life Chairman Tim Moore. Our council was one of the first to take part in the "Baby Shower" program in Utah, and because of its resounding success, we're planning on doing more donation collections like it again in the future.

OUR SEMINARIAN

Council 7961 is now helping to support a Seminarian. His name is Joseph Frez and he is a native of the Philippines. Mr. Frez is Seminarian at Mt. Angel Seminary in St. Benedict, OR. Our council sends Mr. Frez fifty dollars a month. It may not seem like a lot, but it really goes a long way to helping with the day-to-day expenses seminarians have to deal with. Our Council also sent Mr. Frez a Christmas gift of \$50. Mr. Frez will be ordained a Deacon in the spring and is on schedule to be ordained a Priest in 2010.

SOUTH OGDEN – Knights of Columbus Council #14399 of Holy Family Parish spearheaded a drive that resulted in a \$2,000 donation to assist the Minot, N.D., Catholic schools recover from a devastating summer flood.

Grand Knight Joe Hudak said the council approved a \$500 donation and issued a challenge to Knights of Columbus councils throughout the world to match the donation.

Former Minot resident and current Council #14399 member Mark Dylla, whose oldest daughter, Cindy, still resides in Minot, matched the \$500 council donation. Independent donations of other council members, parish members and another \$500 donation from former Minot resident and Little Flower student Mary Davis (Skowronek) brought the total donation to \$2,000.

Three members of Council #14399 are former residents of the North Dakota city of roughly 40,000, which endured the worst flood in its history in late June, causing an estimated \$1 billion in damage.

The checks were presented to Minot residents and long-time supporters of Minot Catholic Schools Don and Beaty Kasper at the Knights monthly breakfast on Aug. 28. The Kaspers, who were in Utah visiting family, returned to Minot on Aug. 30.

"The flood in Minot impacted family members and friends of our council," Hudak said. "The first principle of the Knights of Columbus is charity, and that extends to those in need outside of our city and state. We realize our donation is a small piece in a massive rebuilding puzzle, but our hope is to bring the plight of our Minot brothers and sisters to the forefront of our national organization. We urge Knights throughout the world to assist with donations to Minot Catholic Schools."

Among the buildings heavily damaged was Little Flower Elementary, home of students in preschool through fifth grade. Those students have been moved to Bishop Ryan High School this school year. Little Flower Catholic Church also sustained damage.

The date is Friday, Sep. 16, 2011 Edition. The article title is "Crucifix at Mount Cavalry Cemetery restored" dated Friday, Sep. 09, 2011. The article text states: "The cross atop the Mt. Calvary Catholic Cemetery memorial for the past bishops of the Diocese of Salt Lake City was replaced Sept. 1. The cross itself is completely new steel. The corpus is the original but the white coating was sandblasted off, the n the image was repaired and sealed. All the work was done by an anonymous donor. The Knights of Columbus Utah State Council organized the project." Below the text is a photograph of a crucifix against a blue sky with clouds.
