State Deputy's Message—Preparing for a New Year

Plans for starting the new fraternal year have been progressing at a rapid pace since the State Convention held in early May. The State Officers Team has been preparing to take on their new positions with enthusiasm and dedication. The Organization Meeting, to be held on 7 July at St James the Just, will provide us the first opportunity to gather together as the state council to review plans and share ideas to ensure we have a successful year.

I recently had the privilege of attending the State Deputy Organization Meeting in New Haven, CT. I was one of 76 first and second year state deputies in attendance from the United States, Canada, Poland, Mexico, Philippines and the Dominican Republic. It was a most memorable experience meeting all the super people at Supreme, visiting the headquarters, and being installed as State Deputy in St Mary's church. Passing by Fr. McGivney's resting place was a humbling and inspirational experience.

Let me give you a sneak preview of what's ahead for the upcoming year. Regarding membership recruitment, the new Faith in Action model (enhanced Building the Domestic Church initiative) will give us the framework and tools to build better councils and recruit men to our mission. . To appeal to younger men and their families, we must promote faith-based and family events. Also, promote leadership appointments of younger men.

Another new initiative is Online Membership. Online membership can help us boost our intake by 10-20%. We can also help enrich the online members' experiences by sharing our events and news stories on Knights.net.

Hispanic and ethnic growth have great opportunities here in Utah. Rafael Castillo is our state Hispanic Outreach Coordinator, and he has already started visiting councils and making plans. While at Supreme, I solicited the assistance of Marty Yzaguirre, Supreme Hispanic Outreach, and he agreed to help us as necessary with recruiting opportunities.

Membership retention efforts start the day they take their Admission degree. Take the effort to make retention personal. Understand what members want to get out of their membership, and give them every opportunity to get what they want. Also, build and work your best practice process regarding "unpaid dues" members you want to write off. The state has a process you must follow to ensure these men were afforded every opportunity to reestablish their good standing.

Programs, centered on the Faith in Action Model, are key to encouraging current and potential members to stay engaged with council activities. We must adopt and implement this initiative. We must be the catalyst for change. We must be able to explain how it will help our councils, our members and our parish and ultimately help our recruitment efforts. New and updated resources are forthcoming and will be available in late July, or sooner.

Lastly, training courses and Webinars provide useful tools to help us be successful. Encourage and promote participation in Webinars and Training Portal courses. Set a good example by endorsing and attending Fraternal Training Webinars. There is a direct correlation between high participation and high performing councils. By using the Fraternal Leader Success Planner, your ability to plan ahead then track and measure success on a monthly basis will become a most useful tool.

Bottom line, we must embrace change and lead that change in our state. We must also encourage local parish and community involvement with our programs. Finally, always be mindful that every program represents a recruiting opportunity.

Vivat Jesus!

The introduction of the new Sir Knights class was given by Utah District Master, V.J. Simonelli. I would be remised if I didn't mention the Fourth Degree Exemplification Team – what an awesome and superb presentation by all.

4th of July, Wednesday

What is the real meaning behind the Fourth of July? Following are Independence Day (U.S.) dates, a brief history of this all-important American holiday, and some fun facts.

July 4, 1776: In Philadelphia, Pennsylvania, the Continental Congress approved the Declaration of Independence and formed the United States of America.

July 4, 1776: Thomas Jefferson noted in his “Weather Memorandum Book” that the weather was cloudy, the temperature 76°F.

July 4, 1826: Both Thomas Jefferson and John Adams died on this day.

July 4, 1884: The Statue of Liberty was formally presented to the U.S. by France.

In order to celebrate the Fourth of July with as much patriotism as possible, many Americans like to have picnics or barbecues and are sure to have the American flag waving outside their homes.

Let us show our true patriotism by celebrating the Fourth of July. (Also, be sure to check the American Flag Guidelines so that you can proudly and properly display your flag.)

State Secretary's Corner

Forms, forms, forms!!!

It's that time of year when your Form 185 (Report of Officers Chosen for Term) and Form 365 (Service Program Personnel Report) are due. Last fraternal year we had 5 councils never submit their Chosen Officer Report (185) and 10 councils never submit their Service Program Personnel Report (365). Not only are these a requirement to enter but they are invaluable so Supreme and the State knows who to contact at your council and for the state directory. Also, some of the forms or information are required to achieve Star Council.

If you never submit your Form 185 (Officers) how will Supreme know who to give access to Officer's Online and member management? These are amazing tools that I feel are being underutilized and can help you know what's going on with your council or to get contact info for your members.

So who's responsibility is it to fill out these forms? The Grand Knight, the Grand Knight is the leader of the council and ultimately is responsible for the council. He can have the Financial Secretary do it or assist or even delegate this responsibility but he needs to make sure it is done and the forms are submitted.

In the following months, I will be working on compiling the State Directory and can't do that if I don't get your forms. Both of these forms (185 and 365) can now be filled out online through member management, if you need assistance with doing these please reach out to me or your District Deputy for assistance. My goal is to have the directory out to you earlier than it has been in the past.

In addition to forms, now is the time to plan your year. The Columbian Award application SP7 form will be changing to reflect the new program model "Faith In Action." So I suggest looking into this new model at www.kofc.org/faithinaction and build your calendar around those programs. Most of what you are currently doing will not change, but there are some new requirements for councils. Also, now is the time to put together your budget. The budget should be based on what you are going to do this year, so complete this at the same time or after you have your calendar planned. If you need assistance with these please reach out to any of the State Officers or your District Deputy.

I am so excited for this year and all that we will accomplish and hope you are too! If I can be of service in anyway please let me know.

Vivat Jesus!

KNIGHTS OF COLUMBUS CHARITY RISES TO RECENT CHALLENGES

6/11/2018

RECORD-SETTING DONATIONS IN '17 KEEP PACE WITH MAJOR NEEDS

NEW HAVEN, Conn. — 2017 was a record-setting year for Knights of Columbus charitable work with an unprecedented \$185.6 million in donations and 75.6 million hours of service provided worldwide.

The monetary value of K of C's service hours is valued at \$1.9 billion based on an estimate by Independent Sector, a network for nonprofit foundations that values a 2017 volunteer hour at \$24.69.

The K of C's 2017 survey of charitable giving also showed that monetary donations increased \$8 million from 2016 (+4.5 percent) and service hours grew by 527,550 (+0.7 percent). Year-over-year annual growth in both categories has been consistent over the past two decades.

"Once again, the Knights of Columbus showed the enormous difference we can make in the lives of others by putting our faith in action," said K of C CEO Carl Anderson. "The needs of many of our communities were

Building the Domestic Church

"Today, the Knights of Columbus is providentially positioned to play a key role in the new alliance between the Church and the family called for by Pope Francis ... What is necessary now is our greater involvement in the renewal of parish and family life."
-Supreme Knight Carl Anderson

"It is in the parish that one becomes engaged with the Church community, learns how to become a disciple of Christ, is nurtured by Scripture, is nourished by the sacraments, and ultimately becomes an evangelizer. Successful evangelization and catechetical initiatives must be focused on the parish."
- USCCB

Through the Orderwide Building the Domestic Church initiative, Knights and their families have greater opportunities to participate in a variety of activities that promote the New Evangelization, strengthen our parishes and grow the Order.

Building the Domestic Church

Knights of Columbus has always been an organization dedicated to the well-being and support of Catholic family life. The family is the first and primary place where we experience and are formed in our Catholic faith. By building upon our current programs and activities, the Knights of Columbus continues to promote the family as a "domestic church" where husbands and wives, parent and children, grow in their knowledge and practice of the Catholic Faith. In order to perform its important mission of evangelization, each family needs to find support in the sacramental life of the parish.

Strengthening our Parishes

Knights of Columbus councils have always responded to the most urgent needs of the Church, particularly through charitable and social outreach. In order to support the evangelization of family life today, our councils must be even more fully integrated into our parishes. As the world's largest Catholic fraternal and family organization, we have a responsibility to dedicate our time, talent and resources to ensuring that our parishes our beacons of the new evangelization.

particularly great in 2017, especially in the wake of historic hurricanes in Houston, South Florida, Puerto Rico and much of the Caribbean.

The Knights did not hesitate to provide assistance after these humanitarian crises and in Mexico where two cities were badly damaged by earthquakes.”

K of C in the Community

In addition to disaster relief, K of C also continued to support local communities through programs like:

- Disaster Relief \$7.5M
- Christian Refugee Relief \$6.3M
- Coats for Kids \$2.5M
- Food Drives \$7.6M
- Special Olympics \$14.7M
- Habitat for Humanity \$0.6M
- Global Wheelchair Mission \$1.6M

K of C Internationally

Since 2014, the Knights’ Christian Refugee Relief Fund has donated more than \$17 million for humanitarian assistance to Christians and other religious minorities primarily in Iraq, Syria and the surrounding region.

“Along with what we do in our own communities, the reach of the Knights is global,” Anderson said. “We were able to pledge \$2 million to save Karamles, a predominantly Christian town on Iraq’s Nineveh Plain liberated from ISIS in 2017. Christian churches and graves were desecrated, and many homes were looted, damaged or destroyed.”

K of C Utah

The Knights of Columbus in Utah donated over \$10,000 to the Special Olympics of Utah for the 3rd year in a row, supporting forty athletes for the entire year.

Membership Memo—Welcome to the New Fraternal Year!

Welcome to the new fraternal year! Thank you for your hard work during the last year, we had our ups and down when it came to membership growth but your work was appreciated. At the time of writing this article we gained 213 new members, 35 additional members when looking at the change in membership overall. We were 32 out of 75 in the order at 87% of our intake goal. Great Job!

This coming year the Membership Director will be Mac (James McManaman the State Treasurer) and I will be assisting as the Online Membership Coordinator. I’m excited to continue the path we have been on for the past couple of years and to continue to out perform our previous year’s numbers!

Online membership will help us do that; it will help the state and more specifically your councils grow. How? The statistics of Online members show that 65% of men who joined online have expressed an interest in joining a local council and 17% have converted to a local council. When these men convert to your local council it goes toward your numbers and goals, but more importantly it provides new members to help you do your work. Online membership allows men to join by meeting men where they are (on their computer or phone) at any time.

Online membership is a tool and a way to help you succeed. Start using it, promote it, and help your council. One way you could start using it is by thinking of it as a new way to sign someone up, you no longer need a Form 100. You don’t have to email or mail in the Form 100 and/or wait for an Admission degree. You can get someone signed up and they become a member of the order instantly, then show them the great things you do and I’m positive they will transfer to your local council.

“Online membership is a tool and a way to help you succeed.”

Here is the internet address to use or direct people to: www.knights.net. It’s that simple, it can be accessed on your smart phone, tablet, or at home on your computer. Please share this with your council members, with your parishioners, and anyone you think might make a great Knight of Columbus.

I challenge everyone to reach out and invite a man to join, if the opportunity arises utilize the online membership. Vivat Jesus!

From The Editor—Summertime

Summertime, and the livin' is easy. Fish are jumpin' and the cotton is high. (Ella Fitzgerald—Summertime)

Along with the long hot days and short nights, Summer is also the season of the Parish Festival! For many parishes, the annual festival is not only a chance for the community to come together and celebrate, it is also their largest fund raising event of the year. We also know, that for the most part, these festivals would not happen without the heavy involvement and toil of the Knights of Columbus. Not only are these a great celebration for the local parish, they are also a fantastic way to spend a day with your family. A chance to enjoy good food and clean fun, meet new friends, and connect with old ones. As for the food, unless things have changed dramatically since the last time I was there, you simply must try the street tacos at Our Lady of Guadalupe! (July 14th & 15th).

For more upcoming events, make sure you check out, and share with your councils, the Happenings section of the monthly Newsletter. As always, if you have an event you would like to advertise, simply send me an email with the details. All submissions must be received by the 20th of the month.

Insurance Assurance—We Stand Strong On Ethical Ground

Some people believe that ethics in business is a contradiction in terms. They think that in order to be profitable, a company and its leaders must abandon morality and embrace the dark, greedy side that they see so often in the news and in movies.

At the Knights of Columbus, we know this isn't true. A business can be both ethical and successful. We are.

As a Catholic organization, we understand the value and importance of our core beliefs and the original mission of Venerable Father Michael J. McGivney. In fact, much of the strength and financial security we provide to members and their families can be attributed to our ethical, moral standards.

More than 96 percent of Knights who buy our life insurance keep it, year in and year out. The Order takes this commitment to our members very seriously. This means carefully planning when it comes time to invest. Our professional staff researches all transactions to insure that they fall in line with Catholic values. If a transaction makes them uncomfortable, they don't make it.

"We exclude any company engaged in activity that conflicts with Catholic moral teaching: companies directly involved in abortion, contraception, human cloning, embryonic stem cell research, for-profit health care that pays for any of these, or pornography," said Supreme Knight Carl Anderson. "There are many companies in the pharmaceutical and communications industries that would undoubtedly provide excellent returns for us, but which are not in our portfolio because they engage in research and development or programming in ways that violate the sanctity or dignity of human life."

In the end, the Knights of Columbus investment strategy is motivated by morality, not money. Yet, each year we remain profitable, increase our assets and stay dedicated to this vision that will keep the Order financially sound for generations to come.

"More than 96 percent of Knights who buy our life insurance keep it, year in and year out."

But don't just take our word for it. In 2018 the Knights of Columbus was named a "World's Most Ethical Company" by the Ethisphere Institute for the fifth year in a row. We were one of only three life insurance companies to earn the honor.

"Faithful Catholics have choices when buying life insurance," said the Supreme Knight. "But they know that at the Knights of Columbus their policy is supplied by an insurer that shares their moral and ethical values and is guided in all of its investment and sales practices by those values."

Family Week is a special opportunity for our Order to celebrate and emphasize the importance of the family through programs that strengthen the parish community and unite Catholic family life.
- Coats for Kids program—When families struggle to clothe their children with warm coats in the winter, The Knights have helped meet this basic need through the Coats for Kids program. For the past seven years, councils and assemblies across Utah have purchased new winter coats for children at a discount and distributed them to children in need in their local communities. It's time to start your charitable giving efforts so warm coats can be distributed as early as November. Get your parishes involved in providing donations and helping with the distribution. For coat orders https://www.kofc.org/un/en/forms/council/coats_for_kids_p.pdf.

PROGRAM SPOTLIGHT - Building the Domestic Church. “The family as domestic Church is central to both the work of the new Evangelization and to the future sustainability of our parishes – also the future sustainability of the Order” Carl Anderson, Supreme Knight. Building the Domestic Church is one concrete way that the Knights of Columbus, in solidarity with Pope Francis, can offer “holy and loving families” for the Church’s mission of evangelization in our time. Order and distribute Building the Domestic Church – The Family Fully Alive (#10162) brochure to each member in your council <https://www.kofc.org/en/resources/domestic-church/building-domesticchurch.pdf> . We pray for the protection of our family members and friends serving in the Armed Forces and as first responders.

Please include these members and their families in the Good of the Order portion of your monthly council meetings.

If you are aware of a Brother Knight that should be included in this list, please forward his information to the editor: trever.hinckley@outlook.com
