State Deputy's Message

Preparing for the upcoming Fraternal Year

Our Worthy Regional Growth Director Ray Lopez recently provided an information session where planning for council leaders was presented. With nominations and elections just around the corner, I wanted to provide you the duties and responsibilities of Council Officers and Directors when nominating and electing your council's leadership for next year. It is important all council leaders work as a team and understand their individual duties and responsibilities.

Grand Knight: presides over all council meetings, appoints program and membership directors, appoints committees as needed, countersigns orders for payment and checks, ensures the submission of all paperwork required by the Supreme and State Councils, maintains working relationships with the council's chaplain, district deputy, and field agent, as well as with other local service organizations, has a working knowledge of the kofc.org website, Officers Online and Member Management, and responsible for scheduling frequent exemplifications.

Deputy Grand Knight: assists the grand knight with operation of the council, presides at council meetings in the absence of the grand knight, is recommended to serve on the council's retention committee, has a working knowledge of the Knights of Columbus website, Officers Online and Member Management, and performs other such duties as the grand knight may direct.

Chancellor: assists the grand knight and deputy grand knight with their duties, as assigned, is entrusted with strengthening the members' interest in council activities, is recommended to serve as the chairman of the Admission Committee, and performs other such duties as the grand knight may direct.

Recorder: responsible for keeping and maintaining a true and permanent record of all actions of the council, using a Recorder's Minute Book (#1403), maintains all correspondence of the council, reads the bills entered into the minutes for discussion, and performs such other duties as the grand knight may direct.

Treasurer: handles council funds, receives money from the financial secretary and deposits it in the proper council accounts, maintains all of the council's checking and savings accounts, is responsible for paying all council expenses, including assessments from the Supreme Council, and performs other such duties as the grand knight may direct.

Advocate: acts as parliamentarian for the council, has a working knowledge of Method of Conducting Council Meetings (#10318), knows the council's bylaws and the Order's Charter, Constitution and Laws (#30), has access to Officers Online and Officers Desk Reference, seeks legal assistance from the state advocate as needed, and performs other such duties as the grand knight may direct.

MESSAGE FROM SUPREME KNIGHT

The Supreme Knight's Message on the Coronavirus

As the world confronts the COVID-19 pandemic, Supreme Knight Carl Anderson shares the actions and responses taken by the Knights of Columbus.

Dear Brother Knights,

The coronavirus disease is not the first pandemic the Knights of Columbus has faced. In the late nineteenth century, and again in 1918, the Knights remained strong and active despite such situations. And together, we will do so again this time.

We know that this period will be difficult in various ways for everyone, and we want to assure you that the Knights of Columbus is fully committed to you and your family, and has taken the steps necessary to continue our important work on your behalf – from protecting the faith and financial stability of members' families, to helping members put their faith into action by providing important charitable service within their communities.

Although to our knowledge, no staff at the Knights of Columbus Supreme Council or Museum in New Haven or at the Saint John Paul II National Shrine in Washington, D.C., have tested positive for COVID-19, we have implemented remote operations for most staff, allowing our business processes, customer service and fraternal support to continue their important work uninterrupted, while simultaneously protecting the health of our employees and reducing the risk of community spread of this illness, which is often facilitated by having large groups of people in close proximity to one another.

Furthermore, our sustainable investment strategy means that our exposure to current stock market volatility is limited, and we remain extremely strong financially. With that strength, and the strength that comes from committed employees, we remain positioned and ready to serve our brother Knights. Of course, our agents and our customer service team also remain available to help you with any insurance or related financial needs that you may have. As we implement new systems to serve you and respond to a higher volume of inquiries than usual during this period, it is possible that wait and turnaround times may increase.

In addition to what we are doing at the Supreme Council headquarters, many brother Knights have asked how they can help in their own communities. We suggest the following:

1. *During this period, we urge every member and his family to pray the Supreme Council's novena based on the prayer of Pope Francis (printable or video prayer), as well as a prayer being promoted by the United States Conference of Catholic Bishops.*
2. *Help keep yourself, your families and your communities safe by cancelling all "in person" Knights of Columbus meetings and activities at the local or state level until otherwise indicated. This disease spreads when groups of people gather, so it is important that we avoid activities that could spread this illness. Councils should pursue online and/or teleconferencing options for meetings, fundraising, etc. until the danger has passed. The Supreme Council will be providing additional information on such options shortly.*

A PRAYER FOR PROTECTION IN TIME OF PANDEMIC

O Mary,
 you always brighten our path
 as a sign of salvation and of hope.
 We entrust ourselves to you, Health of the Sick,
 who, at the Cross, took part in Jesus' pain
 while remaining steadfast in faith.
 O loving Mother,
 you know what we need,
 and we are confident you will provide for us
 as at Cana in Galilee.
 Intercede for us with your Son Jesus,
 the Divine Physician,
 for those who have fallen ill,
 for those who are vulnerable,
 and for those who have died.
 Intercede also for those charged with
 protecting the health and safety of others
 and for those who are tending to the sick
 and seeking a cure.
 Help us, O Mother of Divine Love,
 to conform to the will of the Father
 and to do as we are told by Jesus,
 who took upon himself our
 sufferings and carried our sorrows,
 so as to lead us, through the Cross,
 to the glory of the Resurrection. Amen.

*Under thy protection we seek refuge,
 O Holy Mother of God.
 In our needs, despise not our petitions,
 but deliver us always from all dangers,
 O glorious and blessed Virgin. Amen.*

Adapted from the prayer of Pope Francis

KNIGHTS OF COLUMBUS

3. *Leave no Knight – or neighbor – behind. If members of your council – or community – are elderly or have underlying medical conditions, please ensure that they have enough food. If you or others in your council have food to spare, offer to drop something off on their doorstep or to shop online for them.*
4. *Give blood. Many communities are facing blood shortages. Those not being recommended to isolate themselves due to illness, age or underlying conditions should consider giving blood. National blood drives were pioneered by the Knights of Columbus in the 1930s, and this lifesaving activity remains an important aspect of our charitable work today.*

As we move through this pandemic together, you can rest assured that the Knights of Columbus will be there for you. We will provide regular updates in the days ahead, and we will remain joined with you in prayer and in service to our neighbors in need.

May God bless you, and keep you and your loved ones healthy and safe.

Vivat Jesus!

Warden: supervises and maintains all council property, arranges the council chambers for meetings and degree exemplifications, oversees inside and outside guards, and performs other such duties as the grand knight may direct.

Inside/Outside Guards: attend the doors of the council chamber, checking for current membership cards and allowing entrance, and perform other such duties as the grand knight may direct.

Board of Trustees: consists of the grand knight and three other members, who are elected by the council's membership for terms of three years, two years and one year, at each regular election, the position of each trustee will be voted upon, with the current three- and two-year trustee potentially moving on to become the two- and one- year trustee, respectively. supervises all financial procedures of the council and conducts the semiannual audits, and ensures that proper protocol and procedures are followed by the council for the payment of monies — however, cannot override the vote of the council's membership.

The following positions are chosen or appointed annually by the grand knight: Chaplain (acts as spiritual advisor to the brother Knights and families of the council), Directors (Membership, Program, Faith, Family, Community, and Life), and Lecturer.

Last but not least, the financial secretary is appointed by the supreme knight for a three-year term upon the grand knight and trustees' recommendation. I hope this helps understanding the roles of your council's fraternal leadership team and encourage you to consider running for a position or volunteer for an appointed position when the opportunity presents itself.

How's your council going to finish the year?

We are now in the last quarter of our fraternal year and it is time to look closely at where your council is and where you'd like to finish. Regarding forms here is what is on record.

Chosen Officer Reports (Form 185): All active councils have submitted, this is AWESOME. We have 3 inactive councils that have not (11812, 15741, 16006).

Program Personnel Reports (Form 365): 27 out of 37 councils have submitted. Side note this form directly affects Safe Environment Compliant status. Councils missing Form 365 are 602, 2611, 5347, 7401, 8606, 11812, 12264, 12959, 15741, 16006. If you do submit this to supreme please let me know or copy me, because this late in the year supreme no longer updates the reports we receive and we'll have no way of knowing you submitted it unless you send it to us as well.

Annual Survey of Fraternal Activity (Form 1728): Way to go council 777 just got theirs submitted! We now have 4 councils that have not submitted this and the are 5347, 7401, 12959, 15741.

Semi annual audits (Form 1295): We had 14 councils not submit the most recent audit due 2/15, councils 602, 777, 2611, 5214, 5347, 7401, 8350, 11812, 12959, 13646, 14399, 15741, 16006, 16127. Unfortunately, 8 of those councils have missed the last 2 audits. This is to help make sure your councils are financially stable and have good practices, please get them done if you can.

Safe Environment Compliant: This revolves around 4 key positions at the council level and having those men complete training and a background check if needed. The way these men are identified is from the program personnel report form 365 (you may have to submit this again). Here are the councils that are not in compliance: 602, 1129, 1136, 2611, 5347, 7401, 8350, 8606, 9561, 10304, 11812, 12264, 12959, 15741, 16006, 17140

And lastly, Columbian Award Application (Form SP7): At this time no councils have submitted this form, but Supreme is accepting these so if you are ready to submit let's look it over and get it in... it's not too early.

I realize our world has been turned upside down but to me this is when we need the Knights more than ever, let's finish strong. Shout out to the 5 councils that are very close to achieving Star Council and they are 5214, 6739, 7961, 14764, 17140. We have a lot of other councils close and with minimal effort could be there too! To see what you need give me a call or email.

As always, if I can help you in anyway please reach out to me, to your DD, or to any of the State Officers. We are here to help you! To make things easier to check the status of your Council regarding forms and growth please utilize the "New Council/District Tracker" on our state website under the Recruiting sub menu. Brothers all,

Last year at the State Convention I was able to discuss the Columbian Award Application in depth. I also offered to review and help you with your applications. That offer stands again for this year Brothers. Yes, the SP-7 is due by June 30th or sooner. Anyone that needs help or has questions is welcome to call me.

Two other deadlines to note: Report of Officers Chosen #185 due 6/30, and Service Program Personnel Report #365 due 8/1. Council elections need to happen between May 1 and June 15.

More information will follow, but requirements for the Columbian Award and Star Council are being relaxed for the current year. Continue doing great acts and don't forget your paperwork. These forms are important Brothers and must be submitted in order for your Councils to receive the recognition they deserve. I know many of you are holding electronic meetings or planning to. Keep up the great work and continue to take care of the business at hand. If you want to hold a virtual meeting and don't know how, you have many resources that can help you. Ask a neighboring Council, your DD, or your State Team. Anyone is more than willing to help and show you how to do this.

Order-wide we are being reminded of a new program 'Leave No Neighbor Behind', we are invited to participate in the many ways you can step into the breach to serve others during this pandemic. Support your brothers, Support your Parish, Support your Community, Feed the Hungry, Blood Drives, etc. Many Councils and Assemblies have gotten creative in the way they help. One fine example is all the food support GK Dick Hall and his St. Ambrose Council as well as Assembly 2636 provided for Magna residents after the Earthquake.

Keep up the great work everyone.

MEMBERSHIP REPORT

Well my brothers I have been inspired by all of you. Finding new ways to support our parishes. I have seen Knights involved in many creative activities like online rosaries, stations of the cross and virtual mass. I have also seen you step up to assist in drive up donations, handing out palms and drive up confessions. We all need to remain connected to our faith and to still abide by mandated stay at home policies. We have been unable to hold our fund raisers or meetings and yet we are still able to connect via email, inline or by phone. Checking on pour older parishioners and taking them groceries, bulletins, or just a word to let them know we still are there for them.

Change is hard but we as Knights have been able to conduct virtual meeting, degrees and soon a virtual convention. We are always looking for new ways to continue to do Knights work and if you have an idea please share it with us. Others may see a need and try it themselves.

Moving forward we will get back to business as we remember it and I am sure we all are looking forward to doing that soon. Humans need personal contact and this new normal is difficult but it is manageable and we sill come out of this a better group as we will appreciate what we have and what we are able to do. Many of us are looking forward to the day we can attend mass again.

this has been a difficult time because we all have had to make changes in our daily lives. I am currently working from home but am thankful I am still able to work. We must learn from this experience and benefit from it. We will be stronger because we know this is temporary and God has a plan. Remember the words from the Lord's Prayer, "Thy will be done" It may not be what we want but it is what He wants for us.

Continue to do God's work in whatever way you are able to do and know you are not alone and we will get through this.

Vivat Jesus

GOD'S VOICE TODAY,

Vocations Are Everybody's Business

IN YOUR HANDS

A FOOTBALL in my hands is worth about \$20.
A football in Peyton Mannings hands is worth about \$15 million.
It depends on whose hands it's in.

A basketball in my hands is worth about \$25.
A basketball in Shaquille O'Neal's hands is worth \$30 million.
It depends on whose hands it's in.

A rod in my hands may keep away a wild animal.
A rod in Moses' hands parted a mighty sea.
It depends on whose hands it's in.

A sling shot in my hands is just a kid's toy.
A sling shot in David's hand killed a giant.
It depends on whose hands it's in.

Two fish and 5 loaves of bread in my hands will feed me.
Two fish and 5 loaves of bread in God's hands fed thousands.
It depends on whose hands it's in.

Nails in my hands might build a birdhouse.
Nails in Jesus Christ's hands produced Salvation for the world.
It depends on whose hands it's in.

As you can see .. it depends on whose hands it's in. So, lets put our concerns, worries, fears, hopes, dreams, families and relationships in God's hands. Because... It ALL depends on whose hands it's in!

Excerpted from Jim Gentile's, "Positive Spiritual Living"

Editors: Note: We can see in Moses and David that truly it was God working "through" their hands. While Peyton Manning and Shaquille O'Neal are unquestionably talented, one could argue that it is God given talent that makes them successful. Therefore, are not our hands just as talented? What does God intend for the use of our hands. What can we offer to God the use of our hands for? Pray to God for help in recognizing your hidden talents, for the things that bring you closer to him and for him to use your hands to do his work!

Instructions for the Supreme Chaplain's Monthly Challenge

The Supreme Chaplain's Monthly Challenge for the month will be available in a number of places:

- kofc.org/challenge
- Columbia
- Knightline
- Chaplain's Report
- Knights of Columbus social media
- Monthly email to Grand Knight and Chaplain

To conduct the Supreme Chaplain's Monthly Challenge, during a Knights of Columbus meeting (ideally during the Chaplain's Message or the Grand Knight's Report) or other gathering:

- 1) Open with the Sign of the Cross and perhaps a brief prayer.

Example Opening Prayer: *Come Holy Spirit. We thank you for guiding our lives and pray that we may have the courage exemplified by Venerable Fr. McGivney to live our faith to the fullest through our council, our families and in society. May our words today give glory to your Sacred Heart and if we struggled this past month in living our faith, help us to never stop turning to you and always try again.*

- 2) Re-read the Supreme Chaplain's Monthly Challenge from the previous month.

- 3) Open the floor for discussion on what it was like to try and live last month's challenge. Every month has a number of Questions for Reflection that may help facilitate discussion. Don't worry about what order the men speak in or if there is silence in between men speaking. Not everyone has to speak and it is not a problem if the discussion is brief. Men are welcome to comment on others' contribution to the discourse.

- 4) When finished, read the Supreme Chaplain's Monthly Challenge for the next month.

- 5) End by asking if there are any intentions and close with prayer and the Sign of the Cross.

Example Closing Prayer: *Heavenly Father, we thank you for this time together with our brothers. We ask you to have mercy on all those people and intentions we prayed for. Give us the perseverance to live next month's challenge and to remember that we are united with our brother Knights around the world in doing so.*

Supreme Chaplain's Monthly Challenge

WHAT IS THE SUPREME CHAPLAIN'S MONTHLY CHALLENGE?

Each month, Archbishop William Lori – Supreme Chaplain of the Knights of Columbus – selects a brief passage from the Gospel reading of one of the Sunday Masses of the month.

Archbishop Lori shares a brief reflection on the passage and issues a challenge for men to live for the month.

The next month, men undertaking the challenge as a group gather and share their experiences living the challenge.

The Supreme Chaplain's Monthly Challenge is ideally done during monthly Knights of Columbus meetings, but can be done in a separate group or individually.

By taking up the Supreme Chaplain's Monthly Challenge, men take direct, concrete action to grow in their faith and help their brothers do so as well.

This Month's Challenge

May 2020

"I am the gate. Whoever enters through me will be saved, and will come in and go out and find pasture. A thief comes only to steal and slaughter and destroy; I came so that they might have life and have it more abundantly." (Gospel for May 3, Jn 10:9-10)

We've all gone through times when it seems like we're just keeping our head above water, or moments when we feel overwhelmed by life. So what does Jesus mean when he says that he came in order that we might have life "more abundantly"? Some think that Jesus is offering a "prosperity gospel" that awards the faithful with happiness, good health and financial success. Yet Christ experienced suffering, as do his followers, so an "abundant life" must mean something else. Whether a given day brings health and success, or trials and suffering, we experience all these things with Christ. By living our lives for Christ, he shows us the way to fullness of life.

Challenge by Supreme Chaplain Archbishop William E. Lori:

This month I challenge you to write down Psalm 27:1 — "The Lord is my light and my salvation" — put it up where you'll see it daily (on the fridge, on your mirror, etc.), and recite it regularly. Second, I challenge you to promote the cause of life by participating in the Faith in Action Ultrasound or Pregnancy Center Support programs or by making a donation to a pregnancy center.

Questions for Reflection:

What obstacles do you face in living with more abundance, generosity and magnanimity? Has reminding yourself that God is your light and salvation helped you to live more abundantly? How does supporting the pro-life cause help you, others and our society live more abundantly?

Insurance Assurance—PROTECT YOUR ASSETS. GET QUALITY CARE. PREPARE FOR THE FUTURE.

What is it?

Long-term care insurance helps you pay for your extended medical needs in a nursing home facility or in the comfort of your own home.

Who needs it?

Long-term care insurance should be an important part of every family’s planning. While we’d like to think that we will never need long-term care, or that we could easily afford it the statistics suggest otherwise:

- 70 percent of people over age 65 will need some type of long-term care services during their lifetime.
- 3 years is the average duration of long-term care needed per individual.
- \$91,250 is the average annual cost of private nursing home care.
- \$80,300 is the average annual cost of at-home nursing care.

Traditional medical insurance programs and government medical insurance programs don’t usually provide enough help. According to the Department of Health and Human Services, Medicare only pays for long-term care services for a maximum of 100 days, with a copay after the 20th day, and only if you meet certain criteria. Medicaid does pay for long-term care, but only if your income is below a certain level, and you meet state requirements.[5]

How does it work?

Knights of Columbus Long-Term Care insurance policies establish a pool of money (also known as a maximum lifetime benefit), which is determined by a number of options that you choose from (see below). That pool of money is then available for you to use to cover qualified long-term care expenses. When the pool of money is exhausted, your long-term care policy ends.

The Knights of Columbus also offers a spousal discount program, through which spouses who apply for long-term care insurance coverage together are eligible for up to a 30 percent discount.

What options do I have?

Coverage Type

- Comprehensive Coverage – Comprehensive long-term care insurance allows you to use the policy to help cover expenses at home or in a skilled nursing facility.
- Facility-Only Coverage – Facility-only long-term care insurance helps cover expenses in a skilled nursing or assisted living facility.

Benefit Period

- 3-Year – Establish a maximum lifetime benefit designed to help cover three years of long-term care expenses.
- 5-Year – Establish a maximum lifetime benefit designed to help cover five years of long-term care expenses.
- 10-Year – Establish a maximum lifetime benefit designed to help cover 10 years of long-term care expenses.

Daily Benefit

Working with your Knights of Columbus field agent, you establish the daily benefit amount that the policy provides, based on your budget and your projected need. Your daily benefit amount, combined with your benefit period, will determine your maximum lifetime benefit, all of which will affect your premium.

Elimination Period

Long-term care insurance policies come with an elimination period, which serves as your deductible or out-of-pocket amount. You can select a 30, 90, or 180-day one-time, lifetime elimination period, after which time your benefits will begin to be paid.

Additional Features and Benefits

A number of special features and benefits – often called riders – are available on Knights of Columbus long-term care insurance products. An example is the compound inflation rider, which will increase your maximum lifetime benefit annually.
